

Most Wanted Donations

List 1: For Cleaning and Construction

1 Eucalyptus Wool Wash

All towels and bedding are washed in eucalyptus to avoid irritants to the animals. Coles and Earth Choice options are available at most supermarkets for \$1-2.50/bottle.

2 Tissues and Unscented Baby Wipes

These are in high demand at Wild Days for toiling little mammal bottoms! All (except for the super soft tissues) are most welcome for \$1-2/box or pack.

3 Hand Sanitiser

For hygiene purposes. Aquim, Purell and Dettol brands are used at Wild Days, which can be purchased at supermarkets and chemists for \$5-10.

4 Antibacterial Wipes and Disinfectant

For hygiene and cleaning purposes. Eucalyptus or Pine scented only, available at supermarkets for \$3-5.

5 Newspapers

To line the bottom of cages. We can never have too many newspapers!

6 Hanging Baskets

Two put together, these are used to make dreys for ringtail possums in care. They can be purchased at discount variety stores, Big W, Bunnings or any gardening store. The wire must be able to be bent to make an entry and exit, so the cheaper/thinner the better! Cost can range from \$3-10 per basket and liner.

7 Cable ties, Rope and cord

For securing branches and other cage furniture. All sizes needed, black only please.
